

How does Nobility Pre-Funding work?

We pay you first then collect from insurance.

Our Pre-Funding Program will eliminate the problem of waiting to get paid on claims and provide your practice stability in 3 Easy Steps.

Billing & Coding Analysis

Our Analysts will perform a free coding and payor analysis to rate reimbursement performance and see if your practice is the right fit for Pre-Funding.

Revenue Assessment

We will recommend a course of action that will get you money faster & predictably. Then we begin the application process for Pre-Funding.

Pre-Funding

Once you are approved, we will help determine a revenue payment schedule for your upfront payments that will stabilize your practice collections and cash flow.

You get 100% predictable income.
