

## 15% profit increase - guaranteed.

Alliance EBS by Nobility, an **enterprise billing solution** built specifically for medical billing companies by the leader in revenue cycle management, delivers a guaranteed 15% increase to your bottom line. Combine that promise with a decrease in your HR footprint and add instant value to your company.

### Performance

Our customized enterprise billing solution increases your profits by at least 15% and reduces your HR footprint by as much as 35%.

### Transparency

You maintain privacy and control over your medical billing accounts. In fact, we mandate it because we only want to make you better.

### Communication

We're your ally and we understand your goals. Our U.S. client relations team and our 24/7 off-shore subsidiaries deliver metrics-driven reporting to provide proof of our value.

**Increase your profits. Decrease your footprint.**
